

Creating and Inspiring Healthier Lives.

Position Title:	Pediatric Provider - M.D. or D.O.
Department:	Medical
Supervisor:	Vice President of Medical Operations
Supervisory Responsibilities:	None
FLSA Status:	Exempt

Summary:

The Pediatrician primary job function is to provide clinical direction and high-quality provision of clinic based comprehensive primary and preventive health care services to all pediatric patients at Alluvion Health. The Pediatrician works independently and interdependently with other clinic departments and providers to ensure integrated care for patient centered outcomes. In conjunction with the V.P. of Medical Operations, the Pediatrician participates in the development and implementation of policies, procedures and protocols. The Pediatrician is an integral member of Quality Improvement and serves as a champion for Patient Centered Medical Home.

All employees will exhibit the following behavioral traits:

Integrity and Trust

Individual is widely trusted and can present information and discuss situations in an appropriate and helpful manner, keeps confidences, admits mistakes, doesn't misrepresent him/herself for personal gain. Is respectful in action and communication with clients, patients and staff.

Mission Integration

Adheres to the organization's mission during times of ease or challenge, is dedicated to the expectations and requirements of the mission and vision, acts in line with the values identified by Alluvion Health.

Team Relations

Understands and supports the team approach and integrated model of Alluvion Health. Is seen as a team player, cooperative and supportive of his/her coworkers, practices what he/she preaches. Can be candid with peers and fosters open dialogue. Creates a feeling of belonging on the team and holds self and team accountable to those behaviors.
